Write and Improve

<https://writeandimprove.com/>

Your students can create an account, choose a question, write their answer, click and they get instant feedback on their writing (mistakes highlighted, unclear areas, etc.)

Cambridge Online Learning Resources

<https://www.cambridgeenglish.org/learning-english/free-resources/>

Different layouts for texts – hearts, waves, spirals

<https://www.festisite.com/text-layout/spiral/>

Answer Garden

<https://answergarden.ch/>

Online brainstorming and answering questions site. You post a topic/question. Send the link to your students. They go to your question/topic and input words, ideas, answers. Their input is displayed like a wordcloud.

The Digital Teacher

Assess your own digital skills and knowledge. Find out about the Framework, and do training modules to explore different areas like the Digital Classroom, Delivering Learning and more.

<https://thedigitalteacher.com/>

Cambridge Para Ti

<http://www.cambridgeparati.es/>

Links to activities for students, parents and teachers. It's in Spanish, so you can direct families to it.
